SECTION 13. URBAN IMPAIRED STREAM STANDARD..... 13-1

---

## **SECTION 13. URBAN IMPAIRED STREAM STANDARD**

---

The Urban Impaired Stream Standard does not apply to this filing. Chapter 500 of the Maine Stormwater Management Regulations states that this is only applicable to locations within the direct watershed of an urban impaired stream or stream segment listed in Chapter 502. The Proposed Project is not located in the direct watershed of an urban impaired stream or stream segment listed in Chapter 502.
